Say Hello!

“We are excited to begin this new season of ministry. I look forward to working with our churches all across the state to train up future generations of believers to become actively engaged in the work of the local church and reaching the lost both at home and abroad. ASM is more than Camp and CTS. I hope to be able to come alongside our churches and associations that have their own camps or maybe they aren’t able to participate in CTS, to encourage them and help them find ways that they can invest in the lives of the students in their churches and communities in a meaningful and lasting way.” -Bro. Andy

The Haskins Family

The ASM Board has hired Bro. Andy Haskins to serve as the next Executive Director!
